

Team Hedgehog

English

Our English topic this term is familiar setting. We will be exploring the book 'Peace at Last', to deepen our knowledge of what a familiar setting is. We will be learning to describe characters and settings in books. After, we will begin to write our own story in a familiar setting, using all the writing techniques we have learnt.

Maths

In Maths this term, we are learning about Place Value. Year 1's will begin to secure numbers to 20 and Year 2's will begin to secure numbers to 200. We will understand the values of hundreds, tens and ones and using lots of practical resources to support our learning. We will also be, developing our addition and subtraction knowledge

Science

In Science this term, we are learning about seasonal changes. We will be looking at the four seasons and the main differences between them. We will be challenging ourselves to understand how days vary throughout the year.

Theme

Our project this term is Geography. We will be learning about the Amazon rainforest and learning to locate it using maps, atlases and globes! We will be learning about the human and physical features of the Amazon and comparing these to where we live. A really exciting project!

Goodnestone Primary School Curriculum Newsletter Term 6

R.E

In RE this term, we will be exploring the big question, 'Who made the world'? We will look at the story of Creation, found in Genesis, and consider why it is special to Christians. We will also consider how this story impacts the way Christians see God as a creator and how it might stir Christians to care for our amazing planet.

PE

Netball and basketball are our learning about the importance of precision. We will learn the basic defending and moving.

sport this term in PE. We will be balance, coordination, and rules of the

Woodland

In woodland this term, we will be working on our team building skills. We will be working together, taking it in turns to lead and to be lead, participating in woodland team games and building different structures. We will be learning to evaluate our work and make decisions together.

PSHE/RSE

In PSHE this term we are learning about our own health and wellbeing. We will be discussing emotions and how to talk about them. We will also be learning about the importance of physical activities, which help us to stay healthy.
