

Team Hedgehog

English

Our English topic this term is Traditional Tales. We will be exploring the book 'The Emperor's New Clothes'. We will start by familiarizing ourselves with the story, through story-mapping, reenacting and sequencing it. We will be then put our own twists to the story!

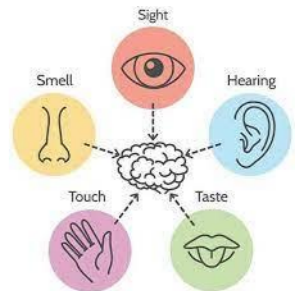

Maths

In Maths this term, we are learning all about addition and subtraction. We will begin by learning to recognise money (coins and notes), with the Year 2's beginning to count money. We will then start to secure our knowledge in addition and subtraction, learning fact families and number bonds.

Science

In Science this term, we are learning about animals, including humans. We will be able to identify, name draw and label the basic parts of the human body and explore which parts of the body are associated with each sense. We will observe, gather and record data to answer scientific questions.

Theme

Our project this term is History. We will be focusing on Mary Seacole and Edith Cavell, two important nurses from the Crimean and Great War. We will explore their backgrounds, how they got into nursing and the impact they had on the profession. We will look at similarities and differences between the two nurses and nursing then and now.

Goodnestone Primary School Curriculum Newsletter Term 6

R.E

This term we will be considering the Big Question, "Why does Christmas matter to Christians?" The children will consider what is unusual about the birth of Jesus and why Christians believe He is special. They will look for evidence of the Christmas story in Christmas cards and decorations. Finally, they consider how different characters in the Christmas story might have felt.

PE

Lacrosse is our sport for PE this term. In these lessons, we will be learning about the rules and aims of game and enhancing the fundamentals of teamwork, throwing and catching.

Woodland

In woodland this term, we will be cooking. We will be learning about the safety around outdoor cooking. The children will learn how to build a fire and how to keep it alight! We will be preparing and cooking lots of yummy foods on an open fire!

PSHE/RSE

In PSHE this term, we are learning about living in the wider world. We will consider how we can help look after our local and wider environments. We will also learn about rules and why they are needed for different situations.
