

Rabbit Class

Big Project Question:

I wonder what else is out there?

Rabbit Class

This term promises to be an exciting one, where we will be learning about different festivals and celebrations from around the world. We will look at the history behind Bonfire Night, think about why Diwali is called the Festival of Lights, learn about who celebrates Hannukah and finally, consider why Christians celebrate Christmas.

We can't wait to finish our term sharing our wonderful Nativity with you.

Maths

This term in Maths we will be learning about the numbers 1-5. We will be learning to count, recognise the numerals, subitise, and find one more and one less.

We will also be identifying, naming and comparing circles and triangles and learning about shapes with four sides.

Maybe you can go on a number or shape hunt?

Goodnestone Primary School Curriculum Newsletter Term 2

R.E

Our RE this term begins with us looking at some Old Testament stories that are special to Christians. We will look at the stories of Noah and Joseph.

We will then move on to spend a few weeks considering the question, "Why do Christians perform Nativity plays at Christmas."

Phonics

This term we will continue learning two sounds per week, blending to read simple words and segmenting the sounds in words to support our writing.

We will also be learning some common exception words (or tricky words) to recognise on sight.

Each Friday the children will bring home a reading activity to practise to support their learning.

Physical Development

The children will be look at Lacrosse this term. Key skills will be learning and understanding of a new sport with progression of the fundamental skills of throwing, catching and teamwork.

We will also be practicing our fine motor skills everyday to support our handwriting using tweezers, scissors, dough disco, threading and lots more!

PSHE/RSE

This term in PSHE we will be focusing on emotions -thinking about what emotions we are feeling, how that makes our body feel and what we could do if we were feeling sad, angry or frustrated.

We will be using the 'Zones of Regulation' to support our learning and reading texts such as The Colour Monster and Big Feelings.
