

Rabbit Class

Big Project Question:

I wonder who does a super job to help us?

Rabbit Class

This term in Rabbit Class we will be thinking about who does a super job to help us. This will include thinking about different occupations including police officers, firefighters, vets, dentists, doctors and nurses.

Rabbit Class will have some special visitors this term to support their learning which will include the opportunity to look at equipment and ask some important questions.

Maths

This term in maths we will start by learning about zero and recapping the composition of 1-5.

We will also be learning about capacity and comparing size and mass.

At the end of term we will explore the numbers 6-8, length, height and an introduction to time.

This term the children will all have a Doodle Maths account-an online platform to support their maths learning at home.

Goodnestone Primary School Curriculum Newsletter Term 3

R.E

In RE this term, we will be exploring the Big Question 'What do Christians believe is special about Jesus and the message He brings?' The children will consider what happens after the nativity story, when Jesus is no longer a baby. They will also learn about some of the parables that Jesus told and think about the meaning of these.

Phonics

This term we will continue learning new sounds, blending to read simple words and segmenting the sounds in words to support our writing. We will be learning the sounds:

j, v, w, x, z in (bugs (z), z in (zap), qu.

We will also be learning some high frequency words (or tricky words) to recognise on sight:

he, she, we, me, be, was, my, you, her, they, all, are.

Each Friday the children will bring home a reading activity to practise to support their learning.

Physical Development

In PE the children will be doing football-learning the fundamental skills of passing, control and dribbling.

The children will be working on the correct technique, using the inside of the foot, and the basic understanding of rules in game situations.

We will continue to refine our fine motor skills every day to support our handwriting using tweezers, scissors, dough disco, threading and lots more!

PSHE/RSE

In PSHE this term Rabbit Class will be thinking about relationships with a focus on friendships. We will be answering questions like what makes a good friend and how it feels to have friends.

We will also consider why rules are important and what rules we need to follow in class.

Rabbit Class will continue to use the 'Zones of Regulation' to recognise and understand emotions.
